SPECIAL NOTICES.

WILLIAM L. MORSELL,

Sloan's Medicines are getting more popular than ever .-Whether it is owing to his honorable way of doing business, or whether it is owing to the knowledge displayed in the compounding of the medicines, one thing is certain, his credit is above reproach, and his medicines are without a rival for the purposes for which they are recommended.—

Kenosha Telegraph, Wis.

See Sloan's advertisement in another column.

Weak, nervous, depressed in spirits, and a prey to innumerable mental as well as physical evils, the victim to dyspepsia is indeed an object of commiseration. Yet it is abaurd for him to despair. We care not how low, weak, ner-

yous and irritable he may be, the cordial properties of Hoofland German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, are stronger than the many headed monster which is preying upon his body and mind; and if he chooses to try them, we will insure a speedy cure. See advertisement.

Liver Disease.

Carter's Spanish Mixture, as a remedy for liver disease, and the number of formidable evils connected with a disorganised state of that organ, is unrivalled. Hundred's of certificates from the highest sources, of persons living in the city of Richmond, Va., might be given of cures effected by Carter's Spanish Mixture. We have only room to ref-r to the extraordinary cure of Samuel M. Drinker, Esq., of the firm of Drinker & Morris, Booksellers, Richmend, Va., who was cured by two bottles of Carter's Spanish Mixture, after three years suffering from diseased liver. He says its act ion on the blood is wonderful, better than all

the medicine he had ever taken, and cheerfully recommends

it to all. *.* See advertisement in another column.
